

Harvest Elementary School

"Planting Knowledge For Life's Harvest"

Karl H. Bowman
Principal

May 21, 2014

Dear Parents and Students,

Harvest Elementary School has a vibrant and successful Spanish Immersion program. As part of this program we celebrate the different cultures that comprise many of the Spanish speaking countries through such mediums as dance and song. We celebrated last evening with our traditional "La Fiesta" program and the students did a wonderful job providing great entertainment through dance.

It has come to my attention that the nature of the content the Master of Ceremonies was responsible for was not in keeping with the mission, values and goals of our immersion program, our school, and Alpine School District. I apologize to all of you for what took place in that regard and have taken measures to appropriately deal with this failure. I have taken additional steps to ensure it will never happen again.

As always, I am available to meet with anyone who would like to discuss anything you might feel a need to resolve. Again, please accept our apology. I look forward to a continued positive working relationship with you.

Sincerely,

Karl H. Bowman, Principal
