

Math Resources

For Parents to Access During Summer

From Mrs. Hall

MATH Resources

Websites:**parents can set up a free account if student doesn't remember their login

- 1)***MobyMax*-mobymax.com
- 2)***Prodigy*-prodigygame.com
- 3) *I KNOW IT*-iknowit.com

class code: Math130

Students know their username and passwords

- 4) *Khan Academy*-khanacademy.org-This is a great site for kids and parents-you can learn ANY level of math from preschool to college. It has quizzes, course work to help with review, and is connected to excellent youtube videos done by great math teachers and it is all FREE!

Other websites that I haven't fully explored, but that look great!

- 1) Math TV-mathtv.com
- 2) Teacher TV-teachertube.com
- 3) National Library of Virtual Manipulatives-usu.edu
- 4) IXL Math-ixl.com
- 5) Math-aids.com-free worksheets
- 6) Super Kids-superkids.com-free worksheets

Reading Resources For Parents to Access During Summer From Mrs. Hall
