Celebrations: Orem Elementary Goal 80% student proficiency.
The below chart shows our results.

Orem Elementary DIBELS CELEBRATION!!!!

	Alpine District	Growth	Orem Elementary	Growth
Kindergarten	67%	-2%	83%	+10%
First	70%	+8%	77%	+11%
Second	76%	-2%	68%	-8%
Third	77%	+2%	78%	+6%

Although the 80% was not achieved in all grade levels, progress was made in most levels. This chart is compared to the District Average.

Other Business:

Home Reading Library: Tamara Bahr

Thank you for funding the purchase of the S & T "Take Home Reading" books (Odd titles). 4-5 students in Ms. Funks class finished all the S & T books that were purchased.

A few other students started in the odd S & T level this year. The additional books were available for these students thank you.

Next year we would like to attend the September SCC meeting and propose SCC fund the even titles for the S & T level. We alternate between odd and even numbers each year so students will have new titles to read.
